LEGISLATIVE ACTS AND OTHER INSTRUMENTS

Subject: REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE
COUNCIL establishing a Community code on Visas (Visa Code)

REGULATION (EC) No .../2009
OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL

of

establishing a Community Code on Visas
(Visa Code)

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 62(2)(a) and (b)(ii) thereof,

Having regard to the proposal from the Commission,

Acting in accordance with the procedure laid down in Article 251 of the Treaty¹,

¹ Opinion of the European Parliament of 2 April 2009 (not yet published in the Official Journal) and Council Decision of

Whereas:

- (1) In accordance with Article 61 of the Treaty, the creation of an area in which persons may move freely should be accompanied by measures with respect to external border controls, asylum and immigration.
- (2) Under Article 62(2) of the Treaty, measures on the crossing of the external borders of the Member States shall establish rules on visas for intended stays of no more than three months, including the procedures and conditions for issuing visas by Member States.
- (3) As regards visa policy, the establishment of a "common corpus" of legislation, particularly via the consolidation and development of the *acquis* (the relevant provisions of the Convention implementing the Schengen Agreement of 14 June 1985¹ and the Common Consular Instructions²), is one of the fundamental components of "further development of the common visa policy as part of a multi-layer system aimed at facilitating legitimate travel and tackling illegal immigration through further harmonisation of national legislation and handling practices at local consular missions", as defined in the Hague Programme: strengthening freedom, security and justice in the European Union³.

¹ OJ L 239, 22.9.2000, p. 19.

² OJ C 326, 22.12.2005, p. 1.

³ OJ C 53, 3.3.2005, p. 1.

- (4) Member States should be present or represented for visa purposes in all third countries whose nationals are subject to visa requirements. Member States lacking their own consulate in a given third country or in a certain part of a given third country should endeavour to conclude representation arrangements in order to avoid a disproportionate effort on the part of visa applicants to have access to consulates.
- (5) It is necessary to set out rules on the transit through international areas of airports in order to combat illegal immigration. Thus nationals from a common list of third countries should be required to hold airport transit visas. Nevertheless, in urgent cases of mass influx of illegal immigrants, Member States should be allowed to impose such a requirement on nationals of third countries other than those listed in the common list. Member States' individual decisions should be reviewed on an annual basis.
- (6) The reception arrangements for applicants should be made with due respect for human dignity. Processing of visa applications should be conducted in a professional and respectful manner and be proportionate to the objectives pursued.
- (7) Member States should ensure that the quality of the service offered to the public is of a high standard and follows good administrative practices. They should allocate appropriate numbers of trained staff as well as sufficient resources in order to facilitate as much as possible the visa application process. Member States should ensure that a "one-stop" principle is applied to all applicants.

- (8) Provided that certain conditions are fulfilled, multiple-entry visas should be issued in order to lessen the administrative burden of Member States' consulates and to facilitate smooth travel for frequent or regular travellers. Applicants known to the consulate for their integrity and reliability should as far as possible benefit from a simplified procedure.
- (9) Because of the registration of biometric identifiers in the Visa Information System (VIS) as established by Regulation (EC) No 767/2008 of the European Parliament and of the Council of 9 July 2008 concerning Visa Information System (VIS) and the exchange of data between Member States on short-stay visas (VIS Regulation)¹, the appearance of the applicant in person – at least for the first application – should be one of the basic requirements for the application for a visa.
- (10) In order to facilitate the visa application procedure of any subsequent application, it should be possible to copy fingerprints from the first entry into the VIS within a period of 59 months. Once this period of time has elapsed, the fingerprints should be collected again.
- (11) Any document, data or biometric identifier received by a Member State in the course of the visa application process shall be considered a consular document under the Vienna Convention on Consular Relations of 24 April 1963 and shall be treated in an appropriate manner.
- (12) Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data² applies to the Member States with regard to the processing of personal data pursuant to this Regulation.

¹ OJ L 218, 13.8.2008, p. 60.

² OJ L 281, 23.11.1995, p. 31.

- (13) In order to facilitate the procedure, several forms of cooperation should be envisaged, such as limited representation, co-location, common application centres, recourse to honorary consuls and cooperation with external service providers, taking into account in particular data protection requirements set out in Directive 95/46/EC. Member States should, in accordance with the conditions laid down in this Regulation, determine the type of organisational structure which they will use in each third country.
- (14) It is necessary to make provision for situations in which a Member State decides to cooperate with an external service provider for the collection of applications. Such a decision may be taken if, in particular circumstances or for reasons relating to the local situation, cooperation with other Member States in the form of representation, limited representation, co-location or a Common Application Centre proves not to be appropriate for the Member State concerned. Such arrangements should be established in compliance with the general principles for issuing visas and with the data protection requirements set out in Directive 95/46/EC. In addition, the need to avoid visa shopping should be taken into consideration when establishing and implementing such arrangements.
- (15) Where a Member State has decided to cooperate with an external service provider, it should maintain the possibility for all applicants to lodge applications directly at its diplomatic missions or consular posts.

- (16) A Member State should cooperate with an external service provider on the basis of a legal instrument which should contain provisions on its exact responsibilities, on direct and total access to its premises, information for applicants, confidentiality and on the circumstances, conditions and procedures for suspending or terminating the cooperation.
- (17) This Regulation, by allowing Member States to cooperate with external service providers for the collection of applications while establishing the "one-stop" principle for the lodging of applications, creates a derogation from the general rule that an applicant must appear in person at a diplomatic mission or consular post. This is without prejudice to the possibility of calling the applicant for a personal interview.
- (18) Local Schengen cooperation is crucial for the harmonised application of the common visa policy and for proper assessment of migratory and/or security risks. Given the differences in local circumstances, the operational application of particular legislative provisions should be assessed among Member States' diplomatic missions and consular posts in individual locations in order to ensure a harmonised application of the legislative provisions to prevent visa shopping and different treatment of visa applicants.
- (19) Statistical data are an important means of monitoring migratory movements and can serve as an efficient management tool. Therefore, such data should be compiled regularly in a common format.

- (20) The measures necessary for the implementation of this Regulation should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission¹.
- (21) In particular, the Commission should be empowered to adopt amendments to the Annexes to this Regulation. Since those measures are of general scope and are designed to amend non-essential elements of this Regulation, inter alia by supplementing it with new non-essential elements, they must be adopted in accordance with the regulatory procedure with scrutiny provided for in Article 5a of Decision 1999/468/EC.
- (22) In order to ensure the harmonised application of this Regulation at operational level, instructions should be drawn up on the practice and procedures to be followed by Member States when processing visa applications.
- (23) A common Schengen visa internet site is to be established to improve the visibility and a uniform image of the common visa policy. Such a site will serve as a means to provide the general public with all relevant information in relation to the application for a visa.
- (24) Appropriate measures should be adopted for the monitoring and evaluation of this Regulation.

¹ OJ L 184, 17.7.1999, p. 23.

- (25) The VIS Regulation and Regulation (EC) No 562/2006 of the European Parliament and of the Council of 15 March 2006 establishing a Community Code on the rules governing the movement of persons across borders (Schengen Borders Code)¹ should be amended in order to take account of the provisions of this Regulation.
- (26) Bilateral agreements concluded between the Community and third countries aiming at facilitating the processing of applications for visas may derogate from the provisions of this Regulation.
- (27) When a Member State hosts the Olympic Games and the Paralympic Games, a particular scheme facilitating the issuing of visas to members of the Olympic family should apply.

¹ OJ L 105, 13.4.2006, p. 1.

- (28) Since the objective of this Regulation, namely the establishment of the procedures and conditions for issuing visas for transit through or intended stays in the territory of the Member States not exceeding three months in any six-month period, cannot be sufficiently achieved by the Member States and can therefore be better achieved at Community level, the Community may adopt measures, in accordance with the principle of subsidiarity as set out in Article 5 of the Treaty. In accordance with the principle of proportionality, as set out in that Article, this Regulation does not go beyond what is necessary in order to achieve that objective.
- (29) This Regulation respects fundamental rights and observes the principles recognised in particular by the Council of Europe's Convention for the Protection of Human Rights and Fundamental Freedoms and by the Charter of Fundamental Rights of the European Union.
- (30) The conditions governing entry into the territory of the Member States or the issue of visas do not affect the rules currently governing recognition of the validity of travel documents.

- (31) In accordance with Articles 1 and 2 of the Protocol on the Position of Denmark annexed to the Treaty on European Union and to the Treaty establishing the European Community, Denmark does not take part in the adoption of this Regulation and is not bound by it, or subject to its application. Given that this Regulation builds on the Schengen *acquis* under the provisions of Title IV of Part Three of the Treaty establishing the European Community, Denmark shall, in accordance with Article 5 of that Protocol, decide within a period of six months after the date of adoption of this Regulation whether it will implement it in its national law.
- (32) As regards Iceland and Norway, this Regulation constitutes a development of provisions of the Schengen *acquis* within the meaning of the Agreement concluded between the Council of the European Union and the Republic of Iceland and the Kingdom of Norway concerning the association of those two States with the implementation, application and development of the Schengen *acquis*¹ which fall within the area referred to in Article 1, point B of Council Decision 1999/437/EC² on certain arrangements for the application of that Agreement.

¹ OJ L 176, 10.7.1999, p. 36.

² OJ L 176, 10.7.1999, p. 31.

- (33) An arrangement should be made to allow representatives of Iceland and Norway to be associated with the work of committees assisting the Commission in the exercise of its implementing powers under this Regulation. Such an arrangement has been contemplated in the Exchange of Letters between the Council of the European Union and Iceland and Norway concerning committees which assist the European Commission in the exercise of its executive powers¹, annexed to the abovementioned Agreement. The Commission has submitted to the Council a draft recommendation with a view to negotiating this arrangement.
- (34) As regards Switzerland, this Regulation constitutes a development of the provisions of the Schengen *acquis* within the meaning of the Agreement between the European Union, the European Community and the Swiss Confederation on the Swiss Confederation's association with the implementation, application and development of the Schengen *acquis*², which fall within the area referred to in Article 1, point B, of Decision 1999/437/EC read in conjunction with Article 3 of Decision 2008/146/EC³ on the conclusion of that Agreement.

² OJ L 53, 27.2.2008, p. 52.

³ OJ L 53, 27.2.2008, p. 1.

- (35) As regards Liechtenstein, this Regulation constitutes a development of provisions of the Schengen *acquis* within the meaning of the Protocol signed between the European Union, the European Community, the Swiss Confederation and the Principality of Liechtenstein on the accession of the Principality of Liechtenstein to the Agreement concluded between the European Union, the European Community and the Swiss Confederation on the Swiss Confederation's association with the implementation, application and development of the Schengen *acquis*, which fall within the area referred to in Article 1, point B, of Decision 1999/437/EC read in conjunction with Article 3 of Decision 2008/261/EC¹ on the signing of that Protocol.
- (36) This Regulation constitutes a development of the provisions of the Schengen *acquis* in which the United Kingdom does not take part, in accordance with Council Decision 2000/365/EC concerning the request of the United Kingdom of Great Britain and Northern Ireland to take part in some of the provisions of the Schengen *acquis*.² The United Kingdom is therefore not taking part in its adoption and is not bound by it or subject to its application.

¹ OJ L 83, 26.3.2008, p. 3.

² OJ L 131, 1.6.2000, p. 43.

- (37) This Regulation constitutes a development of the provisions of the Schengen *acquis* in which Ireland does not take part, in accordance with Council Decision 2002/192/EC concerning Ireland's request to take part in some of the provisions of the Schengen *acquis*¹. Ireland is therefore not taking part in the adoption of the Regulation and is not bound by it or subject to its application.
- (38) This Regulation, with the exception of Article 3, constitutes provisions building on the Schengen *acquis* or otherwise relating to it within the meaning of Article 3(2) of the 2003 Act of Accession and within the meaning of Article 4(2) of the 2005 Act of Accession,

HAVE ADOPTED THIS REGULATION:

¹ OJ L 64, 7.3.2002, p. 20.

Article 13

1. Member States shall collect biometric identifiers of the applicant comprising a photograph of him and his ten fingerprints in accordance with the safeguards laid down in the Council of Europe's Convention for the Protection of Human Rights and Fundamental Freedoms, in the Charter of Fundamental Rights of the European Union and in the United Nations Convention on the Rights of the Child.
2. At the time of submission of the first application, the applicant shall be required to appear in person. At that time, the following biometric identifiers of the applicant shall be collected:
 - a photograph, scanned or taken at the time of application, and
 - his ten fingerprints taken flat and collected digitally.
3. Where fingerprints collected from the applicant as part of an earlier application were entered in the VIS for the first time less than 59 months before the date of the new application, they shall be copied to the subsequent application.

However, where there is reasonable doubt regarding the identity of the applicant, the consulate shall collect fingerprints within the period specified in the first subparagraph.

Furthermore, if at the time when the application is lodged, it cannot be immediately confirmed that the fingerprints were collected within the period specified in the first subparagraph, the applicant may request that they be collected.

4. In accordance with Article 9(5) of the VIS Regulation, the photograph attached to each application shall be entered in the VIS. The applicant shall not be required to appear in person for this purpose.

The technical requirements for the photograph shall be in accordance with the international standards as set out in the International Civil Aviation Organization (ICAO) document 9303 part 1, 6th edition.

5. Fingerprints shall be taken in accordance with ICAO standards and Commission Decision 2006/648/EC of 22 September 2006 laying down the technical specifications on the standards for biometric features related to the development of the Visa Information System¹.
6. The biometric identifiers shall be collected by qualified and duly authorised staff of the authorities competent in accordance with Article 4(1), (2) and (3). Under the supervision of the consulates, the biometric identifiers may also be collected by qualified and duly authorised staff of an honorary consul as referred to in Article 42 or of an external service provider as referred to in Article 43. The Member State(s) concerned shall, where there is any doubt, provide for the possibility of verifying at the consulate fingerprints which have been taken by the external service provider.

¹ OJ L 267, 27.9.2006, p. 41.

7. The following applicants shall be exempt from the requirement to give fingerprints:
- (a) children under the age of 12;
 - (b) persons for whom fingerprinting is physically impossible. If the fingerprinting of fewer than ten fingers is possible, the maximum number of fingerprints shall be taken. However, should the impossibility be temporary, the applicant shall be required to give the fingerprints at the following application. The authorities competent in accordance with Article 4(1), (2) and (3) shall be entitled to ask for further clarification of the grounds for the temporary impossibility. Member States shall ensure that appropriate procedures guaranteeing the dignity of the applicant are in place in the event of there being difficulties in enrolling;

7. The visa fee shall be charged in euro, in the national currency of the third country or in the currency usually used in the third country where the application is lodged, and shall not be refundable except in the cases referred to in Articles 18(2) and 19(3).

1. The competent consulate shall verify whether:
 - the application has been lodged within the period referred to in Article 9(1),
 - the application contains the items referred to in points (a) to (c) of Article 10(3),
 - the biometric data of the applicant have been collected, and

3. The provisions of this Article shall apply to the consulates of the Member States until the date when the VIS becomes fully operational in all regions, in accordance with Article 48 of the VIS Regulation.

Article 21

Verification of entry conditions and risk assessment

1. In the examination of an application for a uniform visa, it shall be ascertained whether the applicant fulfils the entry conditions set out in Article 5(1)(a), (c), (d) and (e) of the Schengen Borders Code, and particular consideration shall be given to assessing whether the applicant presents a risk of illegal immigration or a risk to the security of the Member States and whether the applicant intends to leave the territory of the Member States before the expiry of the visa applied for.

2. In respect of each application, the VIS shall be consulted in accordance with Articles 8(2) and 15 of the VIS Regulation. Member States shall ensure that full use is made of all search criteria under Article 15 of the VIS Regulation in order to avoid false rejections and identifications.
3. While checking whether the applicant fulfils the entry conditions, the consulate shall verify:
 - (a) that the travel document presented is not false, counterfeit or forged;
 - (b) the applicant's justification for the purpose and conditions of the intended stay, and that he has sufficient means of subsistence, both for the duration of the intended stay and for the return to his country of origin or residence, or for the transit to a third country into which he is certain to be admitted, or is in a position to acquire such means lawfully;
 - (c) whether the applicant is a person for whom an alert has been issued in the Schengen Information System (SIS) for the purpose of refusing entry;

- (d) that the applicant is not considered to be a threat to public policy, internal security or public health as defined in Article 2(19) of the Schengen Borders Code or to the international relations of any of the Member States, in particular where no alert has been issued in Member States' national databases for the purpose of refusing entry on the same grounds;
 - (e) that the applicant is in possession of adequate and valid travel medical insurance, where applicable.
4. The consulate shall, where applicable, verify the length of previous and intended stays in order to verify that the applicant has not exceeded the maximum duration of authorised stay in the territory of the Member States, irrespective of possible stays authorised under a national long-stay visa or a residence permit issued by another Member State.
5. The means of subsistence for the intended stay shall be assessed in accordance with the duration and the purpose of the stay and by reference to average prices in the Member State(s) concerned for board and lodging in budget accommodation, multiplied by the number of days stayed, on the basis of the reference amounts set by the Member States in accordance with Article 34(1)(c) of the Schengen Borders Code.  - (a) that the travel document presented is not false, counterfeit or forged;
 - (b) the points of departure and destination of the third-country national concerned and the coherence of the intended itinerary and airport transit;

1. A Member State may require the central authorities of other Member States to consult its central authorities during the examination of applications lodged by nationals of specific third countries or specific categories of such nationals. Such consultation shall not apply to applications for airport transit visas.
2. The central authorities consulted shall reply definitively within seven calendar days after being consulted. The absence of a reply within this deadline shall mean that they have no grounds for objecting to the issuing of the visa.
3. Member States shall notify the Commission of the introduction or withdrawal of the requirement of prior consultation before it becomes applicable. This information shall also be given within local Schengen cooperation in the jurisdiction concerned.
4. The Commission shall inform Member States of such notifications.

2. That period may be extended up to a maximum of 30 calendar days in individual cases, notably when further scrutiny of the application is needed or in cases of representation where the authorities of the represented Member State are consulted.
3. Exceptionally, when additional documentation is needed in specific cases, the period may be extended up to a maximum of 60 calendar days.

Organisation of visa sections

1. Member States shall be responsible for organising the visa sections of their consulates.

In order to prevent any decline in the level of vigilance and to protect staff from being exposed to pressure at local level, rotation schemes for staff dealing directly with applicants shall be set up, where appropriate. Particular attention shall be paid to clear work structures and a distinct allocation/division of responsibilities in relation to the taking of final decisions on applications. Access to consultation of the VIS and the SIS and other confidential information shall be restricted to a limited number of duly authorised staff. Appropriate measures shall be taken to prevent unauthorised access to such databases.

2. The storage and handling of visa stickers shall be subject to adequate security measures to avoid fraud or loss. Each consulate shall keep an account of its stock of visa stickers and register how each visa sticker has been used.

3. Member States' consulates shall keep archives of applications. Each individual file shall contain the application form, copies of relevant supporting documents, a record of checks made and the reference number of the visa issued, in order for staff to be able to reconstruct, if need be, the background for the decision taken on the application.

Individual application files shall be kept for a minimum of two years from the date of the decision on the application as referred to in Article 23(1).

Article 38

Resources for examining applications and monitoring of consulates

1. Member States shall deploy appropriate staff in sufficient numbers to carry out the tasks relating to the examining of applications, in such a way as to ensure reasonable and harmonised quality of service to the public.
2. Premises shall meet appropriate functional requirements of adequacy and allow for appropriate security measures.
3. Member States' central authorities shall provide adequate training to both expatriate staff and locally employed staff and shall be responsible for providing them with complete, precise and up-to-date information on the relevant Community and national law.

Article 40

Forms of cooperation

1. Each Member State shall be responsible for organising the procedures relating to applications. In principle, applications shall be lodged at a consulate of a Member State.
2. Member States shall:
 - (a) equip their consulates and authorities responsible for issuing visas at the borders with the required material for the collection of biometric identifiers, as well as the offices of their honorary consuls, whenever they make use of them, to collect biometric identifiers in accordance with Article 42, and/or

(b) cooperate with one or more other Member States, within the framework of local Schengen cooperation or by other appropriate contacts, in the form of limited representation, co-location, or a Common Application Centre in accordance with Article 41.

3. In particular circumstances or for reasons relating to the local situation, such as where:

(a) the high number of applicants does not allow the collection of applications and of data to be organised in a timely manner and in decent conditions, or

(b) it is not possible to ensure a good territorial coverage of the third country concerned in any other way,

and where the forms of cooperation referred to in paragraph 2(b) prove not to be appropriate for the Member State concerned, a Member State may, as a last resort, cooperate with an external service provider in accordance with Article 43.

4. Without prejudice to the right to call the applicant for a personal interview, as provided for in Article 21(8), the selection of a form of organisation shall not lead to the applicant being required to appear in person at more than one location in order to lodge an application.

5. Member States shall notify to the Commission how they intend to organise the procedures relating to applications in each consular location.

Article 41

Cooperation between Member States

1. Where "co-location" is chosen, staff of the consulates of one or more Member States shall carry out the procedures relating to applications (including the collection of biometric identifiers) addressed to them at the consulate of another Member State and share the equipment of that Member State. The Member States concerned shall agree on the duration of and conditions for the termination of the co-location as well as the proportion of the visa fee to be received by the Member State whose consulate is being used.
2. Where "Common Application Centres" are established, staff of the consulates of two or more Member States shall be pooled in one building in order for applicants to lodge applications (including biometric identifiers). Applicants shall be directed to the Member State competent for examining and deciding on the application. Member States shall agree on the duration of and conditions for the termination of such cooperation as well as the cost-sharing among the participating Member States. One Member State shall be responsible for contracts in relation to logistics and diplomatic relations with the host country.
3. In the event of termination of cooperation with other Member States, Member States shall assure the continuity of full service.

Article 42

Recourse to honorary consuls

1. Honorary consuls may also be authorised to perform some or all of the tasks referred to in Article 43(6). Adequate measures shall be taken to ensure security and data protection.

3. Where the honorary consul is a civil servant of a Member State, the Member State concerned shall ensure that requirements comparable to those which would apply if the tasks were performed by its consulate are applied.

Article 43

Cooperation with external service providers

1. Member States shall endeavour to cooperate with an external service provider together with one or more Member States, without prejudice to public procurement and competition rules.
2. Cooperation with an external service provider shall be based on a legal instrument that shall comply with the requirements set out in Annex X.

3. Member States shall, within the framework of local Schengen cooperation, exchange information about the selection of external service providers and the establishment of the terms and conditions of their respective legal instruments.
4. The examination of applications, interviews (where appropriate), the decision on applications and the printing and affixing of visa stickers shall be carried out only by the consulate.
5. External service providers shall not have access to the VIS under any circumstances. Access to the VIS shall be reserved exclusively to duly authorised staff of consulates.
6. An external service provider may be entrusted with the performance of one or more of the following tasks:
 - (a) providing general information on visa requirements and application forms;
 - (b) informing the applicant of the required supporting documents, on the basis of a checklist;
 - (c) collecting data and applications (including collection of biometric identifiers) and transmitting the application to the consulate;
 - (d) collecting the visa fee;

- (e) managing the appointments for appearance in person at the consulate or at the external service provider;
 - (f) collecting the travel documents, including a refusal notification if applicable, from the consulate and returning them to the applicant.
7. When selecting an external service provider, the Member State(s) concerned shall scrutinise the solvency and reliability of the company, including the necessary licences, commercial registration, company statutes, bank contracts, and ensure that there is no conflict of interests.
 8. The Member State(s) concerned shall ensure that the external service provider selected complies with the terms and conditions assigned to it in the legal instrument referred to in paragraph 2.
 9. The Member State(s) concerned shall remain responsible for compliance with data protection rules for the processing of data and shall be supervised in accordance with Article 28 of Directive 95/46/EC.

Cooperation with an external service provider shall not limit or exclude any liability arising under the national law of the Member State(s) concerned for breaches of obligations with regard to the personal data of applicants or the performance of one or more of the tasks referred to in paragraph 6. This provision is without prejudice to any action which may be taken directly against the external service provider under the national law of the third country concerned.

10. The Member State(s) concerned shall provide training to the external service provider, corresponding to the knowledge needed to offer an appropriate service and sufficient information to applicants.
11. The Member State(s) concerned shall closely monitor the implementation of the legal instrument referred to in paragraph 2, including:
 - (a) the general information on visa requirements and application forms provided by the external service provider to applicants;
 - (b) all the technical and organisational security measures required to protect personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the cooperation involves the transmission of files and data to the consulate of the Member State(s) concerned, and all other unlawful forms of processing personal data;
 - (c) the collection and transmission of biometric identifiers;
 - (d) the measures taken to ensure compliance with data protection provisions.

To this end, the consulate(s) of the Member State(s) concerned shall, on a regular basis, carry out spot checks on the premises of the external service provider.

12. In the event of termination of cooperation with an external service provider, Member States shall ensure the continuity of full service.
13. Member States shall provide the Commission with a copy of the legal instrument referred to in paragraph 2.

Article 44

Encryption and secure transfer of data

1. In the case of representation arrangements between Member States and cooperation of Member States with an external service provider and recourse to honorary consuls, the represented Member State(s) or the Member State(s) concerned shall ensure that the data are fully encrypted, whether electronically transferred or physically transferred on an electronic storage medium from the authorities of the representing Member State to the authorities of the represented Member State(s) or from the external service provider or from the honorary consul to the authorities of the Member State(s) concerned.

2. In third countries which prohibit encryption of data to be electronically transferred from the authorities of the representing Member State to the authorities of the represented Member State(s) or from the external service provider or from the honorary consul to the authorities of the Member State(s) concerned, the represented Member State(s) or the Member State(s) concerned shall not allow the representing Member State or the external service provider or the honorary consul to transfer data electronically.

In such a case, the represented Member State(s) or the Member State(s) concerned shall ensure that the electronic data are transferred physically in fully encrypted form on an electronic storage medium from the authorities of the representing Member State to the authorities of the represented Member State(s) or from the external service provider or from the honorary consul to the authorities of the Member State(s) concerned by a consular officer of a Member State or, where such a transfer would require disproportionate or unreasonable measures to be taken, in another safe and secure way, for example by using established operators experienced in transporting sensitive documents and data in the third country concerned.

3. In all cases the level of security for the transfer shall be adapted to the sensitive nature of the data.

4. The Member States or the Community shall endeavour to reach agreement with the third countries concerned with the aim of lifting the prohibition against encryption of data to be electronically transferred from the authorities of the representing Member State to the authorities of the represented Member State(s) or from the external service provider or from the honorary consul to the authorities of the Member State(s) concerned.

1. Member States may cooperate with commercial intermediaries for the lodging of applications, except for the collection of biometric identifiers.

- (b) existing contracts with commercial partners based in the Member States offering accommodation and other package tour services;
 - (c) contracts with transport companies, which must include an outward journey, as well as a guaranteed and fixed return journey.

 4. Within local Schengen cooperation, information shall be exchanged on the performance of the accredited commercial intermediaries concerning irregularities detected and refusal of applications submitted by commercial intermediaries, and on detected forms of travel document fraud and failure to carry out scheduled trips.
 5. Within local Schengen cooperation, lists shall be exchanged of commercial intermediaries to which accreditation has been given by each consulate and from which accreditation has been withdrawn, together with the reasons for any such withdrawal.

Each consulate shall make sure that the public is informed about the list of accredited commercial intermediaries with which it cooperates.

I am aware that the visa fee is not refunded if the visa is refused.

Applicable in case a multiple-entry visa is applied for (cf. field no 24):
I am aware of the need to have an adequate travel medical insurance for my first stay and any subsequent visits to the territory of Member States.

I am aware of and consent to the following: the collection of the data required by this application form and the taking of my photograph and, if applicable, the taking of fingerprints, are mandatory for the examination of the visa application; and any personal data concerning me which appear on the visa application form, as well as my fingerprints and my photograph will be supplied to the relevant authorities of the Member States and processed by those authorities, for the purposes of a decision on my visa application.

Such data as well as data concerning the decision taken on my application or a decision whether to annul, revoke or extend a visa issued will be entered into, and stored in the Visa Information System (VIS)¹ for a maximum period of five years, during which it will be accessible to the visa authorities and the authorities competent for carrying out checks on visas at external borders and within the Member States, immigration and asylum authorities in the Member States for the purposes of verifying whether the conditions for the legal entry into, stay and residence on the territory of the Member States are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, of examining an asylum application and of determining responsibility for such examination. Under certain conditions the data will be also available to designated authorities of the Member States and to Europol for the purpose of the prevention, detection and investigation of terrorist offences and of other serious criminal offences. The authority of the Member State responsible for processing the data is: [(...)].

I am aware that I have the right to obtain in any of the Member States notification of the data relating to me recorded in the VIS and of the Member State which transmitted the data, and to request that data relating to me which are inaccurate be corrected and that data relating to me processed unlawfully be deleted. At my express request, the authority examining my application will inform me of the manner in which I may exercise my right to check the personal data concerning me and have them corrected or deleted, including the related remedies according to the national law of the State concerned. The national supervisory authority of that Member State [contact details] will hear claims concerning the protection of personal data.

I declare that to the best of my knowledge all particulars supplied by me are correct and complete. I am aware that any false statements will lead to my application being rejected or to the annulment of a visa already granted and may also render me liable to prosecution under the law of the Member State which deals with the application.

I have been informed that possession of a visa is only one of the prerequisites for entry into the European territory of the Member States. The mere fact that a visa has been granted to me does not mean that I will be entitled to compensation if I fail to comply with the relevant provisions of Article 5(1) of Regulation (EC) No 562/2006 (Schengen Borders Code) and I am therefore refused entry. The prerequisites for entry will be checked again on entry into the European territory of the Member States.

- 1.4. When the sticker is used to issue a visa with limited territorial validity pursuant to Article 25(3) of this Regulation, the following options for the codes to be entered may be used:
 - (a) entry of the codes for the Member States concerned;
 - (b) entry of the words "Schengen States", followed in brackets by the minus sign and the codes of the Member States for whose territory the visa is not valid;
 - (c) in case the "valid for" field is not sufficient for entering all codes for the Member States (not) recognising the travel document concerned the font size of the letters used is reduced.

2. "FROM ... TO" heading:

This heading indicates the period of the visa holder's stay as authorised by the visa.

The date from which the visa holder may enter the territory for which the visa is valid is written as below, following the word "FROM":

- the day is written using two digits, the first of which is a zero if the day in question is a single digit,
- horizontal dash,
- the month is written using two digits, the first of which is a zero if the month in question is a single digit,
- horizontal dash,
- the year is written using two digits, which correspond with the last two digits of the year.

For example: 05-12-07 = 5 December 2007.

The date of the last day of the period of the visa holder's authorised stay is entered after the word "TO" and is written in the same way as the first date. The visa holder must have left the territory for which the visa is valid by midnight on that date.

3. "NUMBER OF ENTRIES" heading:

This heading shows the number of times the visa holder may enter the territory for which the visa is valid, i.e. it refers to the number of periods of stay which may be spread over the entire period of validity, see 4.

The number of entries may be one, two or more. This number is written to the right hand-side of the pre-printed part, using "01", "02" or the abbreviation "MULT", where the visa authorises more than two entries.

When a multiple airport transit visa is issued pursuant to Article 26(3) of this Regulation, the visa's validity is calculated as follows: first date of departure plus six months.

The visa is no longer valid when the total number of exits made by the visa holder equals the number of authorised entries, even if the visa holder has not used up the number of days authorised by the visa.

4. "DURATION OF VISIT ... DAYS" heading

This heading indicates the number of days during which the visa holder may stay in the territory for which the visa is valid. This stay may be continuous or, depending on the number of days authorised, spread over several periods between the dates mentioned under 2, bearing in mind the number of entries authorised under 3.

The number of days authorised is written in the blank space between "DURATION OF VISIT" and "DAYS", in the form of two digits, the first of which is a zero if the number of days is less than 10.

The maximum number of days that may be entered under this heading is 90.

When a visa is valid for more than six months, the duration of stays is 90 days in every six-month period.

5. "ISSUED IN ... ON ..." heading

This heading gives the name of the location where the issuing authority is situated. The date of issue is indicated after "ON".

The date of issue is written in the same way as the date referred to in 2.

6. "PASSPORT NUMBER" heading:

This heading indicates the number of the travel document to which the visa sticker is affixed.

In case the person to whom the visa is issued is included in the passport of the spouse, parental authority or legal guardian, the number of the travel document of that person is indicated.

When the applicant's travel document is not recognised by the issuing Member State, the uniform format for the separate sheet for affixing visas is used for affixing the visa.

The number to be entered under this heading, if the visa sticker is affixed to the separate sheet, is not the passport number but the same typographical number as appears on the form, made up of six digits.

7. "TYPE OF VISA" heading:

In order to facilitate matters for the control authorities, this heading specifies the type of visa using the letters A, C and D as follows:

A: airport transit visa (as defined in Article 2(5) of this Regulation)

C: visa (as defined in Article 2(2) of this Regulation)

D: long-stay visa

8. "SURNAME AND FIRST NAME" heading:

The first word in the "surname" box followed by the first word in the "first name" box of the visa holder's travel document is written in that order. The issuing authority verifies that the name and first name which appear in the travel document and which are to be entered under this heading and in the section to be electronically scanned are the same as those appearing in the visa application. If the number of characters of the surname and first name exceeds the number of spaces available, the excess characters are replaced by a dot (.).

ANNEX IX

Part 1

RULES FOR ISSUING VISAS AT THE BORDER TO SEAFARERS IN TRANSIT SUBJECT TO VISA REQUIREMENTS

These rules relate to the exchange of information between the competent authorities of the Member States with respect to seafarers in transit subject to visa requirements. Insofar as a visa is issued at the border on the basis of the information that has been exchanged, the responsibility lies with the Member State issuing the visa.

For the purposes of these rules:

"Member State port": means a port constituting an external border of a Member State;

"Member State airport": means an airport constituting an external border of a Member State.

- I. Signing on a vessel berthed or expected at a Member State port (entry into the territory of the Member States)
 - the shipping company or its agent shall inform the competent authorities at the Member State port where the ship is berthed or expected that seafarers subject to visa requirements are due to enter via a Member State airport, land or sea border. The shipping company or its agent shall sign a guarantee in respect of those seafarers that all expenses for the stay and, if necessary, for the repatriation of the seafarers will be covered by the shipping company;

- those competent authorities shall verify as soon as possible whether the information provided by the shipping company or its agent is correct and shall examine whether the other conditions for entry into the territory of the Member States have been satisfied. The travel route within the territory of the Member States shall also be verified e.g. by reference to the (airline) tickets;
- when seafarers are due to enter via a Member State airport, the competent authorities at the Member State port shall inform the competent authorities at the Member State airport of entry, by means of a duly completed form for seafarers in transit who are subject to visa requirements (as set out in Part 2), sent by fax, electronic mail or other means, of the results of the verification and shall indicate whether a visa may in principle be issued at the border. When seafarers are due to enter via a land or a sea border, the competent authorities at the border post via which the seafarer concerned enters the territory of the Member States shall be informed by the same procedure;

- where the verification of the available data is positive and the outcome is clearly consistent with the seafarer's declaration or documents, the competent authorities at the Member State airport of entry or exit may issue a visa at the border the authorised stay of which shall correspond to what is necessary for the purpose of the transit. Furthermore, in such cases the seafarer's travel document shall be stamped with a Member State entry or exit stamp and given to the seafarer concerned.

II. Leaving service from a vessel that has entered a Member State port (exit from the territory of the Member States)

- the shipping company or its agent shall inform the competent authorities at that Member State port of entry of seafarers subject to visa requirements who are due to leave their service and exit from the Member States' territory via a Member State airport, land or sea border. The shipping company or its agent shall sign a guarantee in respect of those seafarers that all expenses for the stay and, if necessary, for the repatriation costs of the seafarers will be covered by the shipping company;

- the competent authorities shall verify as soon as possible whether the information provided by the shipping company or its agent is correct and shall examine whether the other conditions for entry into the territory of the Member States have been satisfied. The travel route within the territory of the Member States shall also be verified e.g. by reference to the (airline) tickets;
- where the verification of the available data is positive, the competent authorities may issue a visa the authorised stay of which shall correspond to what is necessary for the purpose of the transit.

III. Transferring from a vessel that entered a Member State port to another vessel

- the shipping company or its agent shall inform the competent authorities at that Member State port of entry of seafarers subject to visa requirements who are due to leave their service and exit from the territory of the Member States via another Member State port. The shipping company or its agent shall sign a guarantee in respect of those seafarers that all expenses for the stay and, if necessary, for the repatriation of the seafarers will be covered by the shipping company;
