| Subject: | Proposal for a Regulation of the European Parliament and of the Council establishing an exchange, assistance and training programme for the protection of the euro against counterfeiting (the "Pericles 2020" programme)<br>- Outcome of the European Parliament's first reading<br>(Strasbourg, 9 to 12 December 2013) |

**I. INTRODUCTION**

In accordance with the provisions of Article 294 of the TFEU and the joint declaration on practical arrangements for the codecision procedure <sup>1</sup>, a number of informal contacts have taken place between the Council, the European Parliament and the Commission with a view to reaching an agreement on this dossier at first reading, thereby avoiding the need for second reading and conciliation.

---

<sup>1</sup> OJ C 145, 30.6.2007, p.5

In this context, the rapporteur, Ms Anthea McINTYRE (ECR-UK) presented one amendment (amendment 1) to the proposal for Regulation, on behalf of the Committee on Civil Liberties, Justice and Home Affairs. This amendment had been agreed during the informal contacts referred to above.

## II. VOTE

When it voted on 11 December 2013, the plenary adopted the single amendment (amendment 1) to the proposal for a Regulation. The Commission's proposal as thus amended and the legislative resolution constitute the Parliament's first-reading position<sup>1</sup>, it reflects what had been previously agreed between the institutions. The Council should therefore be in a position to approve the Parliament's position.

The act would then be adopted in the wording which corresponds to the Parliament's position.

---

<sup>1</sup> The text of the amendment adopted and the European Parliament's legislative resolution are set out in the Annex. The amendment is presented in the form of a consolidated text, where changes to the Commission's proposal are highlighted in ***bold and italics***. The symbol "■" indicates deleted text.

- (3a) *The Pericles programme contributes to awareness raising of EU citizens, improving the protection of the euro, especially through the constant dissemination of results of activities supported by the programme.*

- (4) Past support for such *activities*, through Council Decisions 2001/923/EC<sup>1</sup> *and* 2001/924/EC<sup>2</sup>, *subsequently amended and extended by Council Decisions 2006/75/EC<sup>3</sup>, 2006/76/EC<sup>4</sup>, 2006/849/EC<sup>5</sup> and 2006/850/EC<sup>6</sup>*, has made it possible to enhance the activities of the Union and the Member States in the field of the protection of the euro against counterfeiting. The objectives of the Pericles programme for both the period 2002-2006 and the period 2007-2013 were successfully achieved.
- (5) *In its impact assessment*, carried out ■ in 2011, *evaluating* whether ■ the programme should be continued, *the Commission came to the conclusion that the Programme should be renewed with improved objectives and methodology*.
- (6) *The impact assessment advised to* continue and further develop activities at the level of the Union and the Member States in the field of the protection of the euro against counterfeiting, also taking into account the new challenges in a context of budgetary austerity. Under the new Programme, proposals presented by the participating Member States may include participants from third countries, if their presence is important for the protection of the euro.
- (7) It should be ensured that *the Pericles 2020* programme is consistent with, and complementary to, other *relevant* programmes and activities. *Therefore the* Commission should carry out all the necessary consultations with regard to evaluating needs for the protection of the euro with the principal parties involved (in particular the competent national authorities designated by the Member States, the ECB and Europol) within the ■ committee *referred to* in Regulation (EC) No 1338/2001, particularly as regards

- (8) *The Programme should be implemented in full compliance with the provisions of Regulation (EU, Euratom) No 966/2012 of the European Parliament and the Council<sup>1</sup>. In accordance with Article 121 of that Regulation, a grant may not have as its sole purpose the purchase of equipment. A grant is meant to support financially an "action intended to help to achieve an objective forming part of a Union policy".*
- (8a) *The importance of the euro as a worldwide currency requires an adequate level of protection at international level, which can be achieved by making funds available for the purchase of equipment to be used by third countries' agencies in investigating euro counterfeiting.*
- (9) The evaluation of the *Pericles* programme conducted with stakeholders demonstrates the added *value* of *that* programme, in terms of the high level of cooperation among Member States and with third countries, as well as complementarity with activities taken at national level, resulting in increased effectiveness. The continuation of the *Pericles* programme at Union level is expected to make a substantial contribution to maintaining and further improving the high level of protection of the euro associated with the intensification of cross-border cooperation, *exchange* and assistance. At the same time, overall savings will be achieved from the collectively organised activities and procurement, as compared to potential individual national initiatives.

- (11) This Regulation complies with the principles of added value and proportionality. The *Pericles 2020* programme *should facilitate* cooperation among the Member States and between the Commission and the Member States in order to protect the euro against counterfeiting, without impinging on Member States' responsibilities, and using resources more efficiently than could be done at national level. Action at Union level is necessary and justified as it clearly assists Member States in collectively protecting the euro and encourages the use of common Union structures to increase cooperation and information exchange between competent authorities.
- (12) The *Pericles 2020* programme *should* run for a period of seven years to align its duration with that of the multiannual financial framework laid down in [Article 1] of Council Regulation (EU) No .../2013 of... - (14a) *In order to provide for a detailed but flexible framework for implementation, the power to adopt delegated acts in accordance with Article 290 of the Treaty on the Functioning of the European Union should be delegated to the Commission to amend the indicative allocation of funds. It is of particular importance that the Commission carry out appropriate consultations during its preparatory work, including at expert level. The Commission, when preparing and drawing-up delegated acts, should ensure a simultaneous, timely and appropriate transmission of relevant documents to the European Parliament and to the Council.*
- (15) The financial interests of the Union should be protected through *appropriate* measures throughout the expenditure cycle, including the prevention, detection and investigation of irregularities, the recovery of funds lost, wrongly paid or incorrectly used and, where appropriate, penalties.
- (15a) *Decisions 2001/923/EC, 2001/924/EC, 2006/75/EC, 2006/76/EC, 2006/849/EC and 2006/850/EC should be repealed. Transitional measures should be provided to complete financial obligations relating to activities pursued under those Decisions.*
- (15b) *It is appropriate to align the duration of the Programme with Regulation (EU) No .../2013 [laying down the multiannual financial framework for the years 2014-2020\*]. Therefore, this Programme should apply as from 1 January 2014. For reasons of urgency, this Regulation should enter into force as soon as possible after its publication in the Official Journal of the European Union.*
