^{*} OJ: Please insert here the publication reference for Council document 16470/06.

ARTICLE 1

In accordance with Article 16 of the Agreement between the European Union, the European Community and the Swiss Confederation on the Swiss Confederation's association with the implementation, application and development of the Schengen *acquis* ("the Association Agreement"), the Principality of Liechtenstein (hereinafter referred to as "Liechtenstein") accedes to the Association Agreement under the terms and conditions set out in this Protocol.

This accession creates reciprocal rights and obligations between the Contracting Parties in accordance with the rules and procedures set out herein.

ARTICLE 2

1. The provisions of the Schengen *acquis* listed in Annex A and Annex B to the Association Agreement as they apply to the Member States of the European Union shall be implemented and applied by Liechtenstein under the conditions envisaged in those Annexes.
2. In addition, the provisions of the acts of the European Union and of the European Community listed in the Annex to this Protocol which have replaced or developed provisions of the Schengen *acquis* shall be implemented and applied by Liechtenstein.

3. The acts and measures taken by the European Union and the European Community amending or developing the provisions of the Schengen *acquis*, to which the procedures set out in the Association Agreement, in conjunction with this Protocol, have been applied, shall also, without prejudice to Article 5, be accepted, implemented and applied by Liechtenstein.

ARTICLE 3

The rights and obligations set out in Articles 3(1) to (4), Articles 4 to 6, Articles 8 to 10, Article 11(2), (3) and (4), and Article 13 of the Association Agreement shall apply to Liechtenstein.

ARTICLE 4

The office of the President of the Mixed Committee as established by Article 3 of the Association Agreement shall, at the level of experts, be held by the representative of the European Union. At the level of senior officials and Ministers it shall alternately, for a period of six months, be held by the representative of the European Union and by the representative of the Government of Liechtenstein or Switzerland, respectively.

ARTICLE 5

1. The adoption of new acts or measures related to the matters referred to in Article 2 shall be reserved to the competent institutions of the European Union. Subject to paragraph 2 of this article, such acts or measures shall enter into force simultaneously for the European Union, the European Community and their respective Member States concerned and for Liechtenstein, unless those acts or measures explicitly state otherwise. In this context, due account shall be taken of the period of time indicated by Liechtenstein in the Mixed Committee as being necessary to enable it to fulfil its constitutional requirements.

2. (a) The Council of the European Union ("the Council") shall notify Liechtenstein immediately of the adoption of the acts or measures referred to in paragraph 1 to which the procedures set out in this Protocol have been applied. Liechtenstein shall decide whether to accept their contents and to implement them in its internal legal order. That decision shall be notified to the Council and to the Commission of the European Communities ("the Commission") within thirty days of the adoption of the acts or measures concerned.

- (b) If the contents of such an act or measure can become binding on Liechtenstein only after the fulfilment of constitutional requirements, Liechtenstein shall inform the Council and the Commission of this at the time of its notification. Liechtenstein shall promptly inform the Council and the Commission in writing upon fulfilment of all constitutional requirements. Where a referendum is not required, notification shall, at the latest, take place thirty days after the referendum deadline expires. If a referendum is required, Liechtenstein shall have eighteen months from the date of the Council's notification within which to make its notification. From the date laid down for the entry into force of the act or measure for Liechtenstein and until it has given notification that the constitutional requirements have been met, Liechtenstein shall, where possible, implement the act or measure in question on a provisional basis.

If Liechtenstein cannot implement the act or measure at issue on a provisional basis, and if this causes difficulties that disrupt the operation of Schengen cooperation, the situation shall be examined by the Mixed Committee. The European Union and the European Community may take proportionate, appropriate measures against Liechtenstein to ensure that Schengen cooperation operates smoothly.

3. Acceptance by Liechtenstein of the acts and measures referred to in paragraph 2 creates rights and obligations between Liechtenstein, on the one hand, and the European Union, the European Community and the Member States, in so far as they are bound by those acts and measures, and Switzerland on the other hand.

4. Where:

- (a) Liechtenstein notifies its decision not to accept the contents of an act or measure referred to in paragraph 2 and to which the procedures set out in this Protocol have been applied; or,
- (b) Liechtenstein does not carry out notification within the thirty-day time limit referred to in paragraphs 2(a) or 5(a); or,
- (c) Liechtenstein does not carry out the notification at the latest thirty days after the referendum deadline has expired or, in the case of a referendum, within the eighteen months time limit set out in paragraph 2(b), or does not provide for provisional implementation as envisaged in the same paragraph from the date laid down for the entry into force of the act or measure concerned.

This Protocol shall be considered terminated unless the Mixed Committee, after carrying out a careful examination of ways of continuing the Protocol, decides otherwise within ninety days.

Termination of this Protocol shall take effect three months after the expiry of the ninety-day period.

5. (a) If provisions of a new act or measure have the effect of no longer allowing Member States to subject compliance with requests for mutual assistance in criminal matters or the recognition of orders from other Member States to search premises and/or to seize items of evidence to the conditions set out in Article 51 of the Convention Implementing the Schengen Agreement¹, Liechtenstein may notify the Council and the Commission within the period of thirty days referred to in paragraph 2, point (a) that it will not accept or implement those provisions in its internal legal order where they apply to search and seizure requests or orders made for the purposes of investigating or prosecuting offences in the field of direct taxation which, if committed in Liechtenstein, would not be punishable under Liechtenstein law with a custodial penalty. In that case this Protocol shall not be considered terminated, contrary to the provisions of paragraph 4.
- (b) The Mixed Committee shall convene within two months following a request by one of its members and, taking into account international developments, shall discuss the situation resulting from a notification pursuant to point (a).

Once the Mixed Committee has unanimously reached an agreement on the full acceptance and implementation by Liechtenstein of the relevant provisions of the new act or measure, paragraphs 2, point (b), 3 and 4 shall apply. The information referred to in the first sentence of paragraph 2, point (b) shall be provided within thirty days of the agreement reached in the Mixed Committee.

¹ Convention implementing the Schengen Agreement of 14 June 1985 between the Governments of the States of the Benelux Economic Union, the Federal Republic of Germany and the French Republic on the gradual abolition of checks at their common borders (OJ L 239, 22.9.2000, p. 19).

ARTICLE 6

In fulfilling its obligation with regard to the Schengen Information System and the Visa Information System, Liechtenstein may use the technical infrastructure of Switzerland for its access to these systems.

ARTICLE 7

As regards the administrative costs associated with implementing this Protocol, Liechtenstein shall make an annual contribution to the general budget of the European Union of 0,071 % of an amount of EUR 8 100 000, subject to annual adjustment to reflect inflation in the European Union.

ARTICLE 8

1. This Protocol shall not affect the Agreement on the European Economic Area or any other agreement concluded between the European Community and Liechtenstein.
2. This Protocol shall not affect the agreements binding Liechtenstein, of the one part, and one or more Member States, of the other part, in so far as they are compatible with this Protocol. If such agreements are incompatible with this Protocol, the latter shall prevail.

3. This Protocol shall not affect in any respect any future agreements concluded with Liechtenstein by the European Community, or between the European Community and its Member States, of the one part, and Liechtenstein, of the other part, or agreements concluded on the basis of Articles 24 and 38 of the Treaty on European Union.

4. This Protocol shall not affect agreements between Liechtenstein and Switzerland insofar as they are compatible with this Protocol. If such agreements are incompatible with this Protocol, the latter shall prevail.

ARTICLE 9

1. This Protocol shall enter into force one month after the day on which the Secretary-General of the Council, in his capacity as its depositary, has established that all the formal requirements have been met as regards the expression of consent by, or on behalf of, the Parties to be bound by this Protocol.

2. Articles 1, 4, and Article 5(2)(a) first sentence, of this Protocol and the rights and obligations set out in Articles 3(1) to (4), and Articles 4 to 6 of the Association Agreement shall apply provisionally to Liechtenstein as of the date on which this Protocol is signed.

3. With respect to acts or measures adopted after this Protocol has been signed but before it enters into force, the thirty-day period referred to in Article 5(2)(a), last sentence shall start to run from the day of entry into force of this Protocol.

ARTICLE 10

1. The provisions referred to in Article 2 shall be put into effect by Liechtenstein on a date to be fixed by the Council, acting by unanimity of its Members representing the governments of those Member States which apply all the provisions referred to in Article 2 after consulting the Mixed Committee and after having satisfied itself that the preconditions for implementation of the relevant provisions have been fulfilled by Liechtenstein.

The Members of the Council representing the governments of Ireland and the United Kingdom of Great Britain and Northern Ireland respectively shall be involved in taking this decision insofar as it relates to the provisions of the Schengen *acquis* and the acts based on it or related to it in which those Member States participate.

The Members of the Council representing the governments of the Member States to which, in accordance with their Treaty of Accession, only some of the provisions referred to in Article 2 apply shall be involved in taking this decision insofar as it relates to the provisions of the Schengen *acquis* that are already applicable to their respective Member States.

2. Implementation of the provisions referred to in paragraph 1 shall create rights and obligations between Switzerland and Liechtenstein, of the one part and between Liechtenstein, and, the European Union, the European Community and the Member States, as appropriate, insofar as they are bound by these provisions, of the other part.

3. This Protocol shall be applied only if the Agreements to be concluded by Liechtenstein and referred to in Article 13 of the Association Agreement are implemented.

4. Moreover, this Protocol shall be applied only if the Protocol between the European Community, the Swiss Confederation and the Principality of Liechtenstein on the accession of the Principality of Liechtenstein to the Agreement between the European Community and the Swiss Confederation concerning the criteria and mechanisms for establishing the State responsible for examining a request for asylum lodged in a Member State or in Switzerland* is also implemented.

ARTICLE 11

1. This Protocol may be denounced by Liechtenstein or by Switzerland or by decision of the Council acting by unanimity of its Members. The depositary shall be notified of denunciation, which shall take effect six months after notification.

2. In case of denunciation by Switzerland of this Protocol or of the Association Agreement, or in case of the termination of the Association Agreement with respect to Switzerland, the Association Agreement and this Protocol shall remain in force with respect to the relations between the European Union and the European Community on the one part and Liechtenstein on the other part. In such a case, the Council shall decide, after consulting Liechtenstein, on the necessary measures. However, those measures shall be binding upon Liechtenstein only if Liechtenstein accepts them.

* OJ: Please insert a publication reference to 16470/06.

3. This Protocol shall be considered to have been terminated if Liechtenstein terminates one of the agreements referred to in Article 13 of the Association Agreement that have been concluded by Liechtenstein or terminates the Protocol referred to in Article 10(4).

ARTICLE 12

This Protocol shall be drawn up in triplicate in the Bulgarian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovenian, Spanish and Swedish languages, each text being equally authentic.

JOINT DECLARATIONS OF THE CONTRACTING PARTIES

Joint declaration of the Contracting Parties on the European Agency for the Management of Operational Cooperation at the External Borders of the Member States of the European Union

The Contracting Parties take note that further arrangements shall be concluded for the association of Switzerland and Liechtenstein to the European Agency for the Management of Operational Cooperation at the External Borders of the Member States of the European Union following the example of the arrangements agreed with Norway and Iceland.

Joint declaration of the Contracting Parties on Article 23(7) of the Convention of 29 May 2000 on mutual assistance in criminal matters between Member States of the European Union

The Contracting Parties agree that Liechtenstein may, subject to the provisions of Article 23(1)(c) of the Convention on Mutual Assistance in Criminal Matters between Member States of the European Union, in the circumstances of a particular case, require, unless the Member State concerned has obtained the consent of the data subject, that personal data not be used for the purposes referred to in Article 23(1)(a) and (b) without the prior consent of Liechtenstein in proceedings in which Liechtenstein could have refused or restricted the transmission or use of personal data under the Convention or the instruments referred to in Article 1 thereof.

If, in a particular case, Liechtenstein refuses to give its consent to a request from a Member State pursuant to the above provisions, it must give reasons for its decision in writing.

OTHER DECLARATIONS

Declaration by European Community and Liechtenstein on external relations

The European Community and Liechtenstein agree that the European Community undertakes to encourage third countries or international organisations with which it concludes agreements in areas linked to Schengen cooperation, including the visa policy, to conclude similar agreements with the Principality of Liechtenstein, without prejudice to the latter's competence to conclude such agreements.

Declaration by Liechtenstein on mutual assistance in criminal matters

Liechtenstein declares that tax offences being investigated by the Liechtenstein authorities may not give rise to an appeal before a court competent *inter alia* to hear criminal matters.

Declaration by Liechtenstein on Article 5(2)(b)

(Time limit for accepting new developments in the Schengen *acquis*)

The maximum time limit of eighteen months laid down in Article 5(2)(b) covers both the approval and the implementation of the act or measure. It includes the following stages:

- the preparatory stage,
- the parliamentary procedure,

- the referendum deadline of thirty days,
- where applicable the referendum (organisation and voting),
- the sanctioning of the ruling prince.

The Government of Liechtenstein shall inform the Council and the Commission without delay of the completion of each of the stages.

The Government of Liechtenstein undertakes to use every means at its disposal to ensure that the abovementioned stages are completed as swiftly as possible.

Declaration by Liechtenstein on the application of the European Convention on
Mutual Assistance in Criminal Matters and the European Convention on Extradition

Liechtenstein undertakes to refrain from invoking its reservations and declarations made when ratifying the European Convention on Extradition of 13 December 1957 and the European Convention on Mutual Assistance in Criminal Matters of 20 April 1959 in so far as they are incompatible with this Agreement.

Declaration by the European Community on the External Borders Fund
for the period 2007-2013

The European Community is currently establishing an External Borders Fund for the period 2007-2013, for which further arrangements shall be concluded with the third countries associated with the Schengen acquis.

Declaration of the European Commission on the transmission of proposals

When forwarding proposals relating to this Agreement to the Council of the European Union and to the European Parliament, the Commission shall forward copies of such proposals to Liechtenstein.

Participation in Committees that assist the European Commission in the exercise of its executive powers:

The Council authorised the Commission on 1 June 2006 to open negotiations with the Republic of Iceland, the Kingdom of Norway, the Swiss Confederation and the Principality of Liechtenstein with a view to concluding an agreement on the latter's association with the work of the committees which assist the European Commission in the exercise of its executive powers as regards the implementation, application and development of the Schengen *acquis*.

Until conclusion of such an agreement, the agreement in the form of an exchange of letters between the Council of the European Union and the Swiss Confederation on the committees that assist the European Commission in the exercise of its executive powers applies to Liechtenstein taking into account that as far as Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and the free movement of such data ¹ is concerned, the participation of Liechtenstein is laid down by Article 100 of the Agreement on the European Economic Area.

¹ OJ L 281, 23.11.1995, p. 31. Directive as last amended by Regulation (EC) No 1882/2003 of the European Parliament and of the Council (OJ L 284, 31.10.2003, p. 1).

Common Declaration on Joint Meetings

The delegations representing the Governments of the Member States of the European Union,

The delegation of the European Commission,

The delegations representing the Governments of the Republic of Iceland and the Kingdom of Norway,

The delegation representing the Government of the Swiss Confederation,

The delegation representing the Government of the Principality of Liechtenstein,

Note that Liechtenstein accedes to the Mixed Committee established by the Agreement on the association of Switzerland with the implementation, application and development of the Schengen *acquis* by way of a protocol to this Agreement.

Have decided to organise the meetings of the Mixed Committees, established by the Agreement on the association of Iceland and Norway with the implementation, application and development of the Schengen *acquis*, on the one hand, and the Agreement on the association of Switzerland with the implementation, application and development of the Schengen *acquis* as complemented by the Protocol on the association of Liechtenstein, on the other hand, jointly, no matter the level of the meeting.

Note that holding these meetings jointly calls for pragmatic arrangements regarding the office of presidency of such meetings when that presidency is to be held by the associated States according to the Agreement between the European Union, the European Community and the Swiss Confederation concerning the latter's association with the implementation, application and development of the Schengen *acquis* as complemented by the Protocol on the association of Liechtenstein or the Agreement concluded by the Council of the European Union and the Republic of Iceland and the Kingdom of Norway concerning the latter's association with the implementation, application and development of the Schengen *acquis*.

Note the wish of the associated States to cede, as necessary, the exercise of their presidencies and rotate it among them in alphabetical order of name as of the entry into force of the Agreement between the European Union, the European Community and the Swiss Confederation concerning the latter's association with the implementation, application and development of the Schengen *acquis* and as of the entry into force of the Protocol on the association of Liechtenstein.
