Subject : Proposal for a Directive of the European Parliament and of the Council on Stage II petrol vapour recovery during refuelling of passenger cars at service stations **[first reading]**
– Adoption of the legislative act (LA + S)
Statement

Statement by the Commission

The Commission notes the concern of the European Parliament and of the Council in Article 8 to ensure, where necessary, consistency with relevant standards drawn up by the European Committee for Standardisation (CEN), and will examine it with due attention. It emphasises, however, that it reserves the right to respond to this concern, in accordance with the rules of the Treaty, and with due regard to the powers conferred on it for the implementation of that provision.
