CORRIGENDUM TO THE COVER NOTE

from : The Employment Committee
to : Permanent Representatives Committee (Part 1) / COUNCIL EPSCO
Subject : **New Skills for New Jobs**
- Contribution from the Employment Committee

On page 12, in Section 3 "Policy observations" the second sentence of the sixth paragraph should read as follows:

"The work being undertaken to develop European Skills, Competencies and Occupation Classification (ESCO), including the skills and competencies required, is also acknowledged as a potential tool to promote a common European language of occupations, complement national systems and promote mobility in European labour markets."
