Subject: Judicial dimension of the fight against terrorism – Recommendations for action

---

The first paragraph on page 3 of ST 13318/10 INIT should read as follows:

**Recommended action**

- Compensate for the lack of specialisation in those MS which choose not to centralise by offering prosecutors and magistrates dealing with terrorist cases **professional advice and training sessions under** the European Judicial Training Network and **with the assistance** of the Eurojust National Coordination System where the contact points for terrorism have a seat;
