Statement by the Commission on the revision of Directive 2002/49/EC

"The Commission is discussing with the Member States Annex II to Directive 2002/49/EC (noise calculation methods) with a view to adopting it in the coming months.

Based on work the WHO is currently undertaking regarding the methodology to assess health implications of the noise impact, the Commission intends to revise Annex III to Directive 2002/49/EC (estimation of health impact, dose response curves)."
