(public debate)

The Council discussed the Hague programme review based on the Presidency document.
After the debate, the Presidency concluded that the issues would be dealt with by several
preparatory bodies.

Page 6, item 11 should be replaced by the following:

criminal measures aimed at ensuring the enforcement of intellectual property rights
(discussion on specific questions)
(public deliberation)
13103/06 DROIPEN 59 PI 48 CODEC 958

The Presidency will discuss with the incoming Presidency the possible ways of handling
the substantive provisions of the instrument while awaiting the evaluation of Directive
2004/48/EC and the Ruling of the Court of Justice in case C-440/05 which would give
guidance on the question of Community competence in adopting criminal law measures.
The discussions on the substantive provisions of the instrument should be based on a scope of the instrument limited to the intellectual property rights harmonised in Community legislation, in line also with the principles included in the conclusions of the informal meeting in Vienna on 13/14 January 2006.
