Page 6, point 7 should read as follows:

"7. RECALLS that the implementing rules adopted in the framework of Regulation 216/2008\(^1\) will take due account of applicable ICAO rules and standards and will take full account of the flexibility and proportionality provided for in that Regulation with regards to different kinds of operations and of the aircraft involved whereby, on the one hand, the possibility of specific criteria and certification is envisaged for fractional ownership operations, and on the other hand, the possibility of exemption from certification is envisaged for certain specific commercial operations where there are no safety or public interest reasons to justify such a procedure."
